

**OBJECTIVE:** A passionate, creative and detail-oriented young professional with proven software and technical skills, seeking to apply my abilities to challenging design and project management opportunities. I am a dedicated and responsive team player who could be relied to achieve team goals.

**EXPERIENCE:** **DAHLIN GROUP INC.** (PLEASANTON CA)  
-Project Designer Sep. 2013-Present

**Multifamily (Podium)/Mix-used Projects (SF Bayarea)**

- Research on municode, zoning and parking requirement.
- Conduct site plans, considering setbacks, traffic flows, fire requirement etc.
- Provide parking solutions on site or underground garage plans, regarding code regulations.
- Generate unit plans which meet clients expectation and ADA requirement.
- Develop massing study and detailed elevation designs, provide different design styles and color schemes.
- Create graphic presentations and preliminary design package for city's approval.
- Select color paint chips and other building materials and assemble material board for city review.
- Attend client and neighbourhood/community meetings to present projects.

**Commercial and Hospitality Projects (China, SF bayarea)**

- Research on site context, draw site diagrams, and program analysis.
- Design both exterior and interior spaces using 3D modeling software.
- Conduct DD Cad plans, window/door schedules and material list.
- Complete graphic presentation packages.

**Graphic Works (SF bayarea)**

- Rendering perspectives using twilight.
- Graphically design site plans with landscape.
- Stylize buildings elevations in photoshop.

Work closely with senior project manager/principals and collaborate in design direction.  
Coordinate with design team and consultants to complete full submittal packages.

**HK HUA YI DESIGN CONSULTANTS Ltd.** (ShenZhen, China)  
-Intern, Research and Design Department Jul. 2012-Aug. 2012

**Chongqin LiYuan Grand Hotel (ChongQing)**

- Researched site context and participated in design proposals for initial concept.
- Designed multiple floors plans for guestroom levels and public space.
- Designed graphic layout of final package for client.
- Arranged time schedule for the project.

**Anhui Shopping Plaza (AnHui)**

- Analyse site context and traffic flow.
- Generated site diagrams.
- Developed individual conceptual design for client review.

**HK HUA YI DESIGN CONSULTANTS Ltd.** (ShenZhen, China)  
-Intern, No.3 Architecture Department Oct. 2010-Feb. 2011

**Shenzhen Cable TV Hub Office Tower (ShenZhen)**

- Provided ideas on the design concept and generate program diagrams.
- Built Sketch-up model.
- Designed meeting center and management office space and conducted CAD plans.
- Coordinated with construction department.

## EXPERIENCE:

### Residential Projects - Highrise and District Planning (China)

- Conducted site analysis and CAD unit plans.
- Built 3D models and designed elevations for townhouses.
- Drafted the construction drawings and picked up red marks for city permit.

Worked with senior project manager in collaborative team environment.  
Prepared Slide shows and graphic presentation for client.  
Coordinate between design team, construction team and rendering office.

### YANGZHOU ARCHITECTURE DESIGN & RESEARCH INSTITUTE Co.,Ltd

-Architect intern

Jun. 2007-Aug. 2007

### Yangzhou Vocational University campus planning

- Built sketch-up models for massing study.
- Conducted site analysis.

## SKILLS:

### ◇ SOFTWARES

(Operating Platforms: Mac OSX / Windows XP and 7)

Design/Graphic:

AutoCAD  
Adobe Photoshop  
Adobe Illustrator  
Adobe InDesign  
Arduino + Firefly  
ArcGIS

3D Modeling:

Sketchup/Layout  
Rhinoceros  
Grasshopper  
Revit + Vasari  
Twilight Rendering  
Vray Rendering

Microsoft Office:

Word  
Powerpoint  
Excel  
Outlook

Fabrication:

Laser cut  
CNC  
Traditional  
Model Making

### ◇ LANGUAGES

Written + Verbal  
Proficiency:  
English  
Mandarin  
Cantonese

## EDUCATION:

### CALIFORNIA COLLEGE OF THR ARTS (San Francisco, CA)

Sept. 2011-May 2013

Master of Architecture

### HUNAN UNIVERSITY OF SCIENCE AND TECHNOLOGY (China)

Sept. 2006-Jul. 2011

Bachelor of Architecture (Ranking third in the class)

## HONORS

## ACTIVITIES:

The Merit Award in National University Students Architectural Design Competition, hosted by China Architecture Society (CAS) 2010.  
Outstanding Student Award in the College of Architecture and Urban Planning, Hunan University of Science and Technology (HUST) 06-07, 08-09, 10-11.  
Volunteer at American Institute of Architects San Francisco in 2012.
